

The small items on this side of the dotted line are meant to be stuck onto chipboard or the side of a cardboard box and then cut out into tokens.

The 3 pieces on this side of the dotted line could be pasted onto cardboard or chipboard but could also simply be printed onto paper or card stock and cut out without being stuck to anything thicker.

Speed	0	1	2	3	4	5	6	7	8	9	10	11	12
													
if no skid tokens	--	-1	-1	-1	-1	-2	-2	-2	-2	-3	-3	-3	-3
if 1 skid token	--	--	-2	-2	-2	-3	-3	-4	-4	-5	--	--	--
